In search for means of promoting the 81st and the newest created Province of the Philippines, the Province of Dinagat Islands interactive online services becomes the key thus, PDI Trabajo Central came into being to also cater the PDI site visitors having difficulty in finding employment opportunities online. [jobs.dinagatislands.gov.ph](http://www.jobs.dinagatislands.gov.ph) The Human Resource Management and Development Office in an effort to address the increasing number of unemployment and to help Dinagatnons more productive has inspired to design jobs online dubbed, "PDI Trabajo Central". It allows both the Provincial Government of Dinagat Islands & its seven (7) municipal LGU's and the private sector to post job openings that meets their respective qualification standards. This site has information for those looking for work from crafts, trades and skilled positions to highly technical one.

The PDI Trabajo Central will assist you in searching the best and most appropriate job that awaits everyone for a long time. It is organized and managed to help the users access and easily find job at one click. The information and links are regularly updated in this site to help job seekers assess their qualifications from all available jobs posted by both the Provincial and Municipal Government Units and the private sector of the province. You may often visit the PDI ultimate online job's gateway because the opportunity you are longing for will suddenly become available. For employers looking to fill in vacant positions in your companies and firms in the province, the PDI Trabajo Central will be of best interest to you. We offer a job posting service. It is our pleasure to help you find the right people fill in your available positions. Our warmest welcome to everyone visiting this site, come and enjoy the journey of spectacular job hunting!
